Number & T-Shirt Collection

Number collection & T-shirt collection will be open from 11:00am.

There will be peak time queues, so please arrive in plenty of time ahead of your child's race start time. You will need your booking confirmation email.

Number Collection is alphabetical by surname (of the person who placed the order). Please find the appropriate bay and have your booking confirmation email ready for inspection.

Hydration

It is vitally important to arrive at the race well hydrated. Please also bring water with you. There will be water at the finish line.

Finishers Medals

There will be a finishers medal at the finish line for every child who crosses the line displaying a valid race number. Please ensure your child's race number is securely pinned on.

The event has been hugely popular again this year and is likely to sell-out online. We will not therefore be able to take on-the-day sign ups if this happens.

PLEASE therefore ensure everyone in your group is registered online as we will not be able to accommodate additional participants on the day and we do not want to disappoint anyone by having to turn them away.

We look forward to seeing you on Race Day,

The Kids Fun Run Team.
